## Minutes

---

|                     |                      |                   |           |
|---------------------|----------------------|-------------------|-----------|
| <b>Agenda item:</b> | Making team schedule | <b>Presenter:</b> | Muqtadira |
|---------------------|----------------------|-------------------|-----------|

### Discussion:

Deciding who will be turning in the Meeting minutes forms every Saturday.

### Conclusions:

We made the schedule

| Action items              | Person responsible | Deadline  |
|---------------------------|--------------------|-----------|
| ✓ Turn in Meeting minutes | Alexander          | 4/12/2025 |
| ✓ Turn in Meeting minutes | Ashraf             | 4/19/2025 |
| ✓ Turn in Meeting minutes | Joel               | 4/26/2025 |

---

|                     |                              |                   |          |
|---------------------|------------------------------|-------------------|----------|
| <b>Agenda item:</b> | Understanding the Assignment | <b>Presenter:</b> | The team |
|---------------------|------------------------------|-------------------|----------|

### Discussion:

What is the project about, what will we be doing for the project. What are the resources we need for it.

### Conclusions:

The project is about finding a potential app we can present to our client, in the social finance area.

| Action items                                                               | Person responsible | Deadline  |
|----------------------------------------------------------------------------|--------------------|-----------|
| ✓ Each member must research on two apps to present on for our next meeting | The whole team     | 4/15/2025 |
| ✓ Making a GitHub repository                                               | TBD                | 4/17/2025 |

## Other Information

---

### Observers:

Alexander, Ashraf, Joel, Muqtadira

### Resources:

Discord

**Special notes:**

We need to make a GitHub repository, so submit the Presentation, Meeting Minutes doc and Report.
